

Project Title Agents for Citizen-Driven Transformation (ACT)			
EU Project Reference FED/2019/406-876			
Project Summary The Agents for Citizen-driven Transformation (ACT) is a four-year EU programme funded by the European Union and is being implemented by the British Council, Nigeria. The programme is linked to the reform objectives of the three EU focal sectors of the 11th National Indicative programme (NIP). The ACT programme is designed as a response strategy to the EU's identified need to invest and engage more with the Civil Society Organizations (CSOs) in Nigeria as required under the larger global EU CSO roadmap framework. EU-ACT recognises that strengthened civil society actors have great potential to contribute to the achievement of sustainable development, ACT programme will focus on strengthening the capability of CSOs to become more effective and credible drivers of change.
