

Aptis ESOL

Sharing your digital badge

2025

From 3 November 2025, all Aptis ESOL candidates who provide a valid email address during registration will be able to sign in to the Accredible platform and share their digital badge with the CEFR level on social media.

Please note that you need to provide a valid email address before you take the test. If you provide an incorrect email address, we will not be able to edit it after you are registered for the test.

How to sign in to the Accredible platform?

1. To assess the Accredible platform, you need to scan the QR code or follow the link at the bottom of the Certificate.

The certificate is from the British Council and is regulated by Ofqual. It is for a DEMO CUSTOMER, dated 25.04.2025, with enrolment ID ESOL~0453891. The test taker is from the British Council United Kingdom Training centre, taking the Aptis ESOL General variant. The certificate number is BC20000345444, and the national ID is 123456789. The overall CEFR level is C1. The scale score is 187/200, and the CEFR skill profile shows C1 for Listening, Reading, and Overall CEFR grade, and B2 for Speaking and Writing. The certificate is signed by Professor Barry O'Sullivan OBE on 28.04.2025, with qualification number 610/4312/6. A QR code is located in the top right corner. A red box highlights the QR code and the URL at the bottom: <https://credentials.britishcouncil.org/09a22d97-baeb-40c7-9633-5a0ac89c0fe674ay=86a453bdfc172d33152f0c3c06dca707dc3daad96a523ed81d7a59d672cca705>

2. You will then be taken to the main Accredible page where you can view and verify your credentials.

3. To share the digital badge, you need to sign in first using the 'Sign in' button in the top right corner or the 'Sign in to access more options' link under the issuer's name.

4. To log in for the first time, you will need to click on the 'Forgot your password?' option and enter the email address you have used when registering for your test.

5. You will receive an email asking you to follow the link to reset your password.

6. This will allow you to set up your password for you Accredible account.

7. When you come back to the login page, you will be able to log in with your email and your new password. You will be able to view, share and change the privacy settings of your credentials.

8. **All credentials are private by default.** To share the digital badge on your social media, you will need to change the privacy settings to '*public*' – the system will prompt you to do that when you click on '*Share*'.

9. Once you update your privacy settings, you will be able to share the digital badge on your social media.

If you need any support with the platform functionalities, please refer to the [Accredible Help Centre](#).
