Education Advisory Group (EAG)

Chair (1 role available)

The British Council builds connections, understanding and trust between people in the UK and other countries through arts and culture, education and the English language. To help us with the quality and independence of our thinking, we draw on the expert advice of our UK country advisory committees and sector advisory groups.

- Leading the group to fulfil its purpose and objectives as outlined in the terms of reference
- Chairing group meetings: normally three a year
- Advising on the development of the British Council Education strategy
- Acting as an advocate for the British Council’s work

The Chair is appointed for a three-year period. This may be renewed in exceptional circumstances.

The role of the Chair is non-executive. This role is not remunerated but reasonable UK travel and expenses will be reimbursed at standard British Council rates.
