

# Discover the Creative Spark impact over the last two years.

Welcome to one of the British Council's most innovative programmes in Wider Europe.

*Creative Spark: Higher Education Enterprise Programme* is a five-year initiative to support university and institutional partnerships with the UK to develop entrepreneurship and enterprise skills for students and young entrepreneurs across seven countries in Wider Europe. We do this by enabling national policy forums, development of new curriculum and enterprise education materials, and establishing business incubation centres.

## Institutional partnerships

a community of:

- 40** universities and creative institutions from the UK
- 70** institutions from Armenia, Azerbaijan, Georgia, Kazakhstan, Kyrgyzstan, Ukraine and Uzbekistan

- 15** partnerships developed an enterprise or incubation centre
- 65** new courses and modules developed on enterprise education
- 20%** of institutions have secured commercial partners
- 78%** of UK partners confirm that participation in *Creative Spark* has created **significant wider benefits** for their institution (further grant and research funds, joint PhD programmes, dual degrees, and student/academic mobility activities)

## Policy engagement

**Armenia:** Content for a new e-learning platform with the Ministry of Education.

**Ukraine:** Joint funding approach to the *Regional Development Fund* with the Ministry of Culture; contributing to the establishment of the *National enterprise educators' association*.
