

Project Title DRIVET – Promoting inclusive, demand-drive VET and skills development			
EU Project Reference DCI-HUM/2017/387-071			
Project Summary The VET Toolbox is an EU-funded PAGODA project that provides partner countries with know-how, tools and advice in order to improve the effectiveness of TVET reforms. A demand-driven project, with interventions based on support requests from partner countries, the project focusses on labour market intelligence, private sector engagement and inclusiveness in TVET.
