Introduction
ELC is a group of schools comprising centres in Brighton, Eastbourne, and Chester. ELC is a not-for-profit organisation overseen by a voluntary board of trustees. The head office is in Brighton, where the chief executive officer (CEO) is based.

ELC Chester was acquired in September 2019. Accreditation from the previous school was carried over to the new school and the previous centre manager (CM) stayed on until January 2024, when a new CM was appointed. Many of the key staff have remained with the school throughout the changeover period.

In the summer a vacation course for 13–16 year olds is run from separate premises located very near the main school.

The inspection took two days and included meetings with the CEO, the CM, the marketing and student services manager (MSSM), the academic manager (AM), the course director, the accommodation and welfare officer, the administrative assistant, the groups' coordinator, and the social activities organiser. Focus group meetings were held with teachers and students. All teachers timetabled to teach during the inspection were observed. One inspector conducted virtual visits of two homestays and a residence.

Declaration of legal and regulatory compliance		
D1 The organisation certifies that it operates at all times in accordance with the declarations in the Declaration of legal and regulatory compliance. The Accreditation Scheme requires accredited providers to comply with all applicable laws and regulations. Providers must take steps to ensure that they are aware of, and comply with, all existing and new legal requirements. On initial application and annual renewal of accreditation, providers are required to confirm that they are complying with all applicable laws and regulations. Inspectors will check a random sample of items during inspection, in relation to criterion D1; if they find evidence of a breach of statutory or other legal requirements, the provider will be required to submit evidence of compliance confirmed by the appropriate regulatory body. Any breach of the law or regulations will be viewed seriously by the Scheme and may result in the withdrawal or withholding of accreditation. Any sustained breach of the law or regulations which an accredited provider fails upon reasonable notice to remedy will result in accreditation being withdrawn.
