Introduction

English Path (EP) is a subsidiary company of GEDU Global, a global provider of education headquartered in Greenford, London, United Kingdom; the group also includes Global Banking School (GBS). GBS offer further and higher education courses across the world and EP schools share some of their premises. EP provides language courses to adults, young learners and is also a pathway provider for university entrance. It has centres in London, Leeds, Manchester and Birmingham as well as overseas in Dubai, Paris, Malta, Toronto, Dublin, Riyadh and Brisbane. The head office and first EP school opened in Greenford in April 2021. This was followed by the Canary Wharf (CW) centre (also included in this inspection), which offers courses to students aged 30+. The UK young learners' provision, which has separate accreditation, commenced operations in 2022 and operates from the Greenford centre where closed group courses are offered from September to May, in addition to the summer provision at Middlesex University.

The inspection took place over two days with two inspectors visiting each of the two centres for one full day. Meetings were held with the regional head of operations, the global head of academics, the academic manager (AM) at Greenford, the director of studies (DoS) at Canary Wharf, the student services manager, the student services officer (Greenford), the student services officer (CW), the global head of admissions, the global head of young learners, the senior sales operations and marketing manager, the human resources officer: Dublin & the UK, and the human resources apprentice. Focus groups were held with students, teachers, and a group leader. One inspector visited one of the student residences, spoke to a representative of the accommodation provider used for some of the homestay provision, and had a virtual tour of two of the in-house arranged homestays. All teachers timetabled during the inspection were observed.

Description of sites visited

EP Greenford operates from a dedicated self-contained area comprising classrooms and offices on the ground floor of a three-storey building shared with GBS. The large reception area, café, and student seating areas are common to both schools. Entrance to the premises is secure: all staff, students and visitors are issued with a security pass from reception which allows access through controlled turnstiles. The EP school has five classrooms, a teachers' room, an office shared by all EP staff, a student break room, and a large library that is shared by EP and GBS staff and students. Other rooms, including a lecture theatre are available for EP Greenford as needed. In addition to a disabled toilet, there are separate male and female toilets, shared by EP and GBS staff and students.

EP Canary Wharf (Import Building, 2, Clove Crescent, East India, London E14 2BE) is located on the fifth floor of the premises and is shared by GBS staff and students, although EP has several dedicated areas. Access is strictly controlled from reception, with access to lifts to all floors via controlled turnstiles. The 5th floor opens to a large reception area with zoned student seating areas common to both schools. EP CW has its own dedicated reception desk and three classrooms, although additional rooms are available on request. The EP office is shared by all EP staff and there is a fully equipped staff kitchen. There are separate toilets for staff and students.

Comments

The school offers general English courses at EP Greenford (16+). These can be combined with 'electives' including examination preparation classes, and/or mixed level skills courses. Closed groups of junior students (8–17 years) are also offered from September to May.

At EP Canary Wharf general English courses (30+) with the option of 'electives' are offered. Business Management and Leadership and Digital Marketing courses (18+) are also promoted, although these were not running at the time of the inspection.

Management profile

The managing director (MD) has overall responsibility for the management of all EP schools. In London, he is assisted by the regional head of operations (Dublin & the UK), based in CW, and the global head of academics, based in Greenford, both of whom are supported by the operations and academic teams at the two London schools. The global head of young learners is also based in Greenford and reports directly to the MD.

Accommodation profile

Both sites provide residential studio accommodation and homestays for students. The majority of students stay with homestay hosts or find their own accommodation. At the time of inspection, the Greenford school was about to move from using one residential accommodation to another nearby in Wembley. The school has contracted six studio flats with these new providers. The Canary Wharf site contracts a small number of studio flats in two residences; one in Wembley and another in Lewisham. The studios contain a bed, desk, chair, wardrobe and drawers, and bathroom and small kitchen. These studios are part of a large residence that has a social space and laundry. For homestay accommodation, the organisation has worked with a registered agency for some time but is also in the process of growing its own list of hosts near to each school. From time to time, the Greenford school uses a nearby hotel for under-18s closed groups who require residential accommodation.

Declaration of legal and regulatory compliance

D1 The organisation certifies that it operates at all times in accordance with the declarations in the *Declaration of legal and regulatory compliance*.

The Accreditation Scheme requires accredited providers to comply with all applicable laws and regulations. Providers must take steps to ensure that they are aware of, and comply with, all existing and new legal requirements.

On initial application and annual renewal of accreditation, providers are required to confirm that they are complying with all applicable laws and regulations.

Inspectors will check a random sample of items during inspection, in relation to criterion D1; if they find evidence of a breach of statutory or other legal requirements, the provider will be required to submit evidence of compliance confirmed by the appropriate regulatory body.

Any breach of the law or regulations will be viewed seriously by the Scheme and may result in the withdrawal or withholding of accreditation.

Any sustained breach of the law or regulations which an accredited provider fails upon reasonable notice to remedy will result in accreditation being withdrawn.
