

Project Title Governance in Justice II (GOJUST II) Programme - Philippines			
EU Project Reference ACA/2020/418821			
Project Summary The GOJUST Programme was implemented through a Technical Assistance Service Contract with the British Council, Indirect Management with the United Nations Office for Project Services (UNOPS) and Indirect Management with a Member State Agency, namely the Spanish Agency for International Development Cooperation (AECID). The Overall Objective of the GOJUST II Programme is: <i>To contribute to inclusive and sustainable socio-economic development through improved access to justice for all, while the Specific Objective is: To develop more responsive and accountable justice services.</i> The GOJUST II Programme will seek to achieve the following Results: Result 1. Justice sector coordination mechanisms are improved; Result 2. Strengthened institutional efficiency and effectiveness in the delivery of justice services; Result 3. Increased access to the justice system for vulnerable groups, including women; Result 4. Justice policy and practice is informed by evidence and responds to justice needs;
