Version 1.0/2017 vom 11.04.2017

Dear Applicant,

You are applying for a Foreign Language Assistantship in Germany through the British Council. In Germany, it is the Pädagogischer Austauschdienst (PAD) that runs the program on behalf of the school authorities in the 16 Länder.

If accepted as a Fremdsprachenassistentkraft (FSA), you will be covered by a health, accident, and third person liability insurance for the time of your assistantship in Germany.

The health insurance covers essential medical treatment for acute illnesses suffered during the FSA assignment. It does not cover costs for pre-existing conditions. We are obliged to ensure that you are fully aware of the conditions of the insurance coverage as an FSA in Germany, specifically the exclusions (pre-existing conditions like diabetes or allergies; psychological treatment, etc.).

For a more detailed description of the insurance coverage, please go to

<https://www.kmk-pad.org/programme/fremdsprachenassistentkraefte/studierende-aus-dem-ausland/geschuetzter-inhalt-login.html>

Benutzername: fsa-in-deutschland

Passwort: fsaaid

In the box „Informationen zur Versicherung“, please click on the link „Bernhard Assekuranzmakler GmbH“ to find out more about the insurance coverage for FSA in Germany.

If you have a pre-existing health or mental condition requiring treatment while in Germany, we recommend that you look for a (travel) insurance that will cover those costs.

Kind regards

Gisela Grütter-Probst
