The EFL courses for adults and young adults (16+) are run at the city centre site, St Michael's. The main EFL course runs for 15 hours a week and can be combined with IELTS preparation or other special interest courses of six additional hours per week. The EAP courses are run at the St Joseph's site as part of the A-Level and degree pathway programmes. The majority of students have classes in EAP for 4.5 hours per week as an integrated part of their study programmes. Closed groups for adults and young adults and for under 18s are occasionally run during the academic year.

Management profile

The principal is based in St Joseph's. He line-manages the director of students, the acting director of studies (academic), the head of boarding/college services manager and the director of English language programmes. The director of English language programmes is based in St Michael's and is largely responsible for the day-to-day running of the centre. He line-manages the ADoS, the senior teacher, the English language administrator and the teachers.

Accommodation profile

The school offers a number of accommodation options: a residence, two student houses and around 45 homestays. All of the residential accommodation is in single ensuite rooms, most of which consists of apartments, where six

students share a large kitchen/lounge area. A limited number of individual private studio apartments are also available. Homestay accommodation is in single rooms throughout the year, some of which can become twin rooms in the summer. Under 18s accommodated by King's Oxford must stay in either residential or homestay accommodation. At the time of the inspection thirty seven students under 18 were staying in the residence and 7 were in homestay.

The Accreditation Scheme requires accredited providers to comply with all applicable laws and regulations. Providers must take steps to ensure that they are aware of, and comply with, all existing and new legal requirements.

On initial application and annual renewal of accreditation, providers are required to confirm that they are complying with all applicable laws and regulations.

Inspectors will check a random sample of items during inspection, in relation to criterion D1; if they find evidence of a breach of statutory or other legal requirements, the provider will be required to submit evidence of compliance confirmed by the appropriate regulatory body.

Any breach of the law or regulations will be viewed seriously by the Scheme and may result in the withdrawal or withholding of accreditation.

Any sustained breach of the law or regulations which an accredited provider fails upon reasonable notice to remedy will result in accreditation being withdrawn.

Comments

D1 Sampling identified the following issue: there was evidence that excessive photocopies were being made from coursebooks; the institution should seek further advice from the relevant statutory/regulatory body.
