### Summary statement

The British Council inspected and accredited LSI Brighton in March 2026. The Accreditation Scheme assesses the standards of management, resources and premises, teaching, welfare, and safeguarding under 18s and accredits organisations which meet the overall standard in each area inspected (see [www.britishcouncil.org/education/accreditation](http://www.britishcouncil.org/education/accreditation) for details).

This private language school offers courses in general English for adults (18+) and young people (16+) and closed groups and vacation courses for adults (18+) and young people (16+) and under 18s.

Strengths were noted in the areas of student administration and accommodation.

The inspection report noted a need for improvement in the area of publicity.

The inspection report stated that the organisation met the standards of the Scheme.

### Introduction

Language Studies International (LSI) Brighton is one of the three accredited year-round schools based in the UK along with LSI London and LSI Cambridge. There are other LSI schools in Canada, the USA, Australia and New Zealand. The school offers throughout the year general English courses for adults and young learners, and short-course closed group programmes. In the summer of 2026, the school will be running for the first time a young learner residential course in the premises of the University of Brighton.

The last inspection took place remotely in 2021. Since that time the school’s senior management team has completely changed and currently consists of the school director, the Director of Studies (DoS), and the

accommodation manager. The schools in the group share a number of centralised functions such as marketing, administration and HR.

The two inspectors visited the school for one and a half days. At the time of the inspection two general English classes were running and classes for two young learner groups from Austria. Meetings were held with the school director, the Director of Studies (DoS) and the accommodation manager. Focus group meetings were held with teachers, group leaders, activity staff and two groups of students. All teachers working in the week of the inspection were observed. One inspector inspected the on-site residence in person and visited remotely two homestays.

#### Description of sites visited/observed

LSI Brighton occupies a three-storey building in Hove. There are shops and local amenities nearby and the centre of Brighton is approximately 15 minutes away by bus. The building comprises the school and a residence with its own entrance. The main school entrance is through a reception area. The offices are accessible from reception. There are a total of 14 classrooms in the building. There are two student lounges and a student kitchen. There is also a staffroom with its own kitchen, and a study centre that can also be used as a classroom during busy periods. Outside of the school, there is a table tennis table and a garden with picnic tables and benches.

#### Comments

The school offers general English courses for adults (18+) and young learners (16+) throughout the year. Business English and examination preparation courses are offered as electives. Short-stay closed group programmes are run on demand. A variety of summer courses are offered to students aged 6 to 17. In 2026, the school will be running for the first time a young learner residential course in the premises of the University of Brighton.

#### Management profile

The centre director is assisted by the DoS, the accommodation manager, and the Assistant Director of Studies.

#### Accommodation profile

Homestay accommodation is available for all students aged 12 and over. There is a school-owned residence connected to the school which accommodates those aged 18 and over. Additional residential accommodation is available at Mountford House, a facility managed by another organisation located a 10-minute walk from the school. This accommodation is mostly used as an overspill for the school's residence, although students can request to stay there. Homestay accommodation is managed by the school. During very busy periods, a small number of students stay in accommodation managed by an agency registered with the British Council. From 2026, the summer school will offer managed residential accommodation at the University of Brighton for students aged 10 to 17.

## Summary of inspection findings

### Management

The provision meets the section standard and exceeds it in some respects. The management of the provision operates to the benefit of the students and in accordance with the provider's clearly stated goals and values. The structure of the organisation is generally effective. Feedback from students and group leaders is managed appropriately. Student administration is carried out efficiently, however, there are issues with some aspects of the publicity. *Student administration* is an area of strength.

There is a need for improvement in *Publicity*.

### Premises and resources

The provision meets the section standard. The premises provide students and staff with a comfortable, pleasant and professional environment for work and relaxation. A range of learning resources is available, appropriate to the age and needs of the students.

### Teaching and learning

The provision meets the section standard. The academic staff team has a professional profile appropriate to the context. Course design and learner management are generally effective. Teachers receive good support. The courses are managed to provide benefit to students. The teaching observed met the requirements of the Scheme.

### Welfare and student services

The provision meets the section standard and exceeds it in some respects. Overall, the school provides its students with appropriate pastoral care. The school offers a wide range of comfortable, friendly and conveniently located accommodation, which is very well managed. The leisure programme is designed to meet the needs of the students. *Accommodation* is an area of strength.

### Safeguarding under 18s

The provision meets the section standard. Overall, there is appropriate provision for the safeguarding of students under the age of 18 within the school and in the leisure activities and accommodation provided, although the safeguarding of students on site is not adequately risk assessed. M16 There are clear systems in place to enrol students effectively and maintain accurate information about student payment and course details. This information is readily accessible to relevant staff.	Met
M17 There are effective systems to maintain up-to-date and accessible records of local contact details for students, and their designated emergency contacts.	Met

M15 Students, parents and agents receive very clear, comprehensive and timely advice from central marketing and local staff when needed.

<b>Publicity</b>	<b>Need for improvement</b>
M21 All publicity and information is accurate, and gives rise to realistic expectations about the premises, location, and the extent and availability of the services and resources.	Not met
M22 All publicity and information about the provider and the services it offers is in clear, accurate and accessible English.	Met
M23 Publicity gives clear, accurate and easy-to-find information on the courses.	Not met
M24 Publicity includes clear, accurate and easy-to-find information on costs.	Not met
M25 Publicity or other information made available before enrolment gives an accurate description of the level of care and support given to any students under 18.	Not met
M26 Publicity gives an accurate description of any accommodation offered.	Met
M27 Descriptions of staff qualifications are accurate.	Not met

M28 Claims to accreditation are in line with Scheme requirements.	Met
<b>Comments</b>	
Publicity includes the group website with a section on Brighton, a general prospectus, a prices and dates document, and a Brighton-specific mini-brochure.	
M21 The publicity claim that the school offers an 'exciting weekly social programme' throughout the year is inaccurate. It isn't clear what the school actually offers and staffs, and what are suggestions, and the website claim that there is a weekly pub night is inaccurate.	
M23 The Brighton presentation flyer exaggerates the types of activity normally included in the social programme. The publicity claims that 'We provide you with what our academic team have identified as being the very best materials currently available for your level' does not match the judgment of the inspectors and the LSI Brighton academic team. Neither does the reference to 'cutting edge' resources.	
M24 The costs of exams are not clear as students are invited to contact the school. This has been addressed and is no longer a point to be addressed. The information about the additional costs of any activities and excursions is written in very small print. It is unclear what the following website claim means: 'Activity Price Guide Free activities: marked as Free Paid local activities.'	
M25 There is no clear information in the publicity about the level and support given to under 18s.	
M27 Descriptions of the teaching staff's qualifications are inaccurate. The website claim that they are 'highly qualified' does not match the profile at the time of the inspection and in the summer. The brochure claim that the teachers are 'qualified with country specific teaching credentials', is not the case for all of the teachers employed in Brighton at the time of the inspection.	

## Premises and resources

<b>Premises and facilities</b>	Met
P1 Providers ensure the safety and security of students on their premises by measures appropriate to their age and background, and the location.	Not met
P2 Premises, including any external areas, are in a good state of repair, cleanliness and decoration, and provide a comfortable environment for students and staff.	Met

P5 There is adequate signage to buildings, routes, rooms and exits, and there are facilities for the display or sharing of general information.	Met
P6 There is sufficient space for all staff, for work, meetings, relaxation and the storage of personal possessions.	Met
<b>Comments</b>	
P1 Most aspects of this criterion are met. However, fire drills had not been conducted from the residence.	
P2 Overall, the premises are in a reasonable state of repair with classrooms having been recently re-painted. Other areas are in need of decoration and are due to receive similar improvement in the near future.	
P4 Two large student lounges are available, one of which opens onto the garden which has benches with fixed seating and a table tennis table. Students on adult courses have access to a kitchen with microwave and kettle.	

<b>Learning resources</b>	Met
P7 There are sufficient learning resources for classroom use for the number of students enrolled, appropriate to their age and the level, length and type of courses offered.	Met
P8 There are appropriate resources for teachers, which are adequate in number, accessible, and well maintained and organised.	Met

## Teaching and learning

<b>Academic staff profile</b>	<b>Met</b>
T1 There is a clear recruitment and support policy for the academic team relevant to the stated course objectives and student profile.	
T2 The academic manager/academic management team has an appropriate professional profile to provide academic leadership.	
T3 The teaching team has ELT/TESOL qualifications, general level of education, experience, knowledge and skills relevant to the courses they are teaching.	
<b>Comments</b>	
Overall, the academic staff team has a professional profile (qualifications and experience) that is appropriate to the organisation's context. The recruitment and support policy is sufficiently well devised, and is effectively implemented in line with the stated course objectives and the student profile.	
<b>Academic management</b>	<b>Met</b>
T4 Teachers are matched appropriately to courses and there are effective procedures for the appropriate timetabling of students, courses and classrooms.	Met
T5 There are formalised arrangements for covering for absent teachers which are satisfactory to students and staff.	Strength
T6 Where enrolment is continuous, explicit attention is paid to all aspects of academic management affected.	Met
T7 There are effective arrangements for the academic induction of new teachers appropriate to their needs.	Met
T8 There are effective arrangements, led by an academic manager, to ensure appropriate day-to-day guidance and support for all teachers.	Strength
T9 There are effective arrangements for the observation and monitoring of teachers' performance by a TEFLQ academic manager based on clear standards known to teachers.	Met
T10 There are procedures to ensure the continuing professional development (CPD) of all teachers to meet the needs of the individual teachers, the students, and the organisation.	Met
<b>Comments</b>	
T5 There are very good arrangements in place for covering absent teachers, including the use of academic managers and teachers on the school's documented cover list. T8 Teachers benefit from very good support and guidance from academic managers, and the former are very appreciative of the support they receive.	
<b>Course design and implementation</b>	<b>Met</b>
T11 The course design is comprehensive and is based on the provider's stated approach to learning or educational philosophy, and is appropriate to the learning context.	Not met
T12 Courses include strategies which help students to develop their language skills outside the classroom and benefit linguistically from their stay in the UK.	Strength
T13 Course design is regularly reviewed in light of the different and changing needs of students and feedback from teachers and students.	Met
T14 Written course outlines and intended learning outcomes, appropriate to the course length and type, are available to students and referred to in class.	Met
<b>Comments</b>	
T11 The course design is entirely appropriate for adult students and young learner summer courses. Closed group short course programmes are partly based on needs analyses, but there is currently insufficient guidance for teachers on how to structure these. T12 Courses and the social programme cover a good number of channels through which students can learn English outside the classroom. These include a Study club and a Job club and classroom tasks that lead to students conducting surveys and making short films in local areas.	
<b>Learner management</b>	<b>Met</b>
T15 There are effective procedures for the correct placement of students, appropriate to their level and age.	Met
T16 There are effective procedures for evaluating, monitoring and recording students' progress.	Not met

T17 Students are helped to identify their learning needs and receive support to meet course objectives.	Met
T18 Where relevant, students are guided to select the examinations and examination training best suited to their needs and interests. Students wishing to progress to mainstream UK education have access to relevant information and advice.	Met

#### Comments

T16 Although progress tests should occur regularly, these had not taken place for some adult students, none of whom were receiving tutorials or any homework at the time of the inspection.

#### Classroom observation record

Number of teachers seen	Seven
Number of observations	Seven
Parts of programme(s) observed	General English and closed group classes.

#### Comments

None.

<b>Teaching: classroom observation</b>	Met
T19 Teachers produce accurate models of spoken and written English; they provide clear explanations and relevant examples of language and usage, that are appropriate to the aims of the lesson and suitable for the students' level.	Met
T20 The content of the lessons is based on the overall course objectives and takes into account the differing students' needs and backgrounds.	Met
T21 The intended learning outcomes of lessons are made known to students, and are achieved through an appropriate sequence of activities.	Met
T22 Teaching techniques used are appropriate to the focus of the lesson, to the context, and to the needs of the group and individual learners.	Met
T23 Teachers enhance learning by effectively managing the classroom environment and teaching and learning resources.	Met
T24 Students receive and benefit from appropriate and timely feedback on their performance during the lesson.	Met
T25 Lessons include activities for teachers and students to evaluate whether learning is taking place.	Met
T26 Teachers promote a positive and inclusive learning atmosphere and students are engaged in the lesson.	Strength

#### Comments

T19 Teachers generally produced accurate models of spoken and written English, and clear explanations and relevant examples of language and usage. There was good work done on pronunciation in most lessons but in others this was lacking, when it would have been helpful to student learning of new vocabulary.

T20 The content of lessons took into account student needs in most classes observed. It was unclear in a few cases why a particular grammar topic had been chosen and why students were asked to read a text aloud for an extended period of time.

T21 Learning outcomes were clearly stated in lesson plans and on boards. Most but not all lesson activities were linked to achieving those outcomes.

T22 We saw a good range of teaching techniques used that were appropriate to the focus of the lesson and to the needs of the group. Instructions were generally clear, but on a few occasions, teachers were attempting to give instructions to students, when they were clearly engaged in another task.

T23 The classroom environment was generally handled appropriately, and board work was mainly good.

T26 Most teachers gave positive praise to their students, and in some cases error correction techniques were used, but not in all lessons.

T25 Teachers generally provided opportunities for students to demonstrate their ability to use recently learned language. This included short tasks linked to activities.

T26 In almost all classes, teachers promoted a positive and inclusive learning atmosphere and students were engaged in their lessons. Teachers knew the names of their students, even on short courses, and were clearly interested in their progress.
