

Consent Form

Please read the below information carefully

Our Future Competition is organised by the British Council for teachers and school-age learners aged between 7 and 18 years old in Europe. The aim of the competition is to give primary and secondary exam candidates the chance to practise for their English language exams and think about how English exams are important to their future. Students must work in teams of two to three to complete the Competition task. Teams must make a short video about this year's theme: How will Covid-19 change the way we use technology in the future?

Where a participant is under the age of 18, his/her entry must be submitted on behalf of the participant by a teacher over the age of 18 years who, in submitting the entry, agrees to and accepts these Competition Rules and has the consent of the participant's parent/guardian.
