1 Overview of the British Council

1.1. The British Council is the UK's international organisation for cultural relations and educational opportunities. We create friendly knowledge and understanding between the people of the UK and other countries. We do this by making a positive contribution to the UK and the countries we work with – changing lives by creating opportunities, building connections, and engendering trust.

1.2 We work with over 100 countries across the world in the fields of arts and culture, English language, education, and civil society. Last year we reached over 80 million people directly and 791 million people overall including online broadcasts and publications. Founded in 1934, we are a UK charity governed by Royal Charter and a UK public body. Further information can be viewed at www.britishcouncil.org.

2 Introduction and Background to the Project

2.1 The UK-Brunei Higher Education Teaching and Learning Partnership Project is funded by the Foreign Commonwealth and Development Office through ASEAN Dialogue Partner Grant that aims to enable Brunei-UK higher education collaboration, enhance internationalisation, and strengthen institutional partnerships through sharing knowledge and principles of good practice.

Although the British Council has limited presence in Brunei, we have a strong background and experiences in delivering higher education partnership programmes in 7 countries across East Asia (China, Indonesia, Malaysia, Philippines, Thailand, Vietnam and Singapore) which can be shared and exchanged.

2.3 The UK-Brunei Higher Education Teaching and Learning Partnership will consist of three main components which include 1) a landscape and needs analysis of Brunei higher education 2) two- day virtual workshop and 3) Seed Grant.

2.4 The British Council requires a consultant to conduct a landscape and needs analysis of the Brunei higher education teaching and learning which will involve Ministry of Education and Brunei universities to understand their goals and develop workshop that will support them in strengthening their internationalisation strategy and academic partnership with UK on specific subjects aligning to SDG. The workshop will support Brunei universities in strengthening their internationalisation strategy and academic partnership on specific subjects aligning to SDG such as but not limited to the development of trans-national education (TNE) or joint or double/dual degree programmes, credit sharing programme (aligned to Turing). By the end of the workshop, it is expected that Brunei universities will be able to develop strategic plans for academic partnerships and engagement with participating UK universities.

After the workshop, the British Council will open call for up to two Seed Grants for Brunei and UK universities that attended the workshop to jointly apply and realise the strategic plans if not all but partially that will lead to the outcome of strengthening internationalisation strategy and academic partnership.

Points	Interpretation
--------	----------------

10	Excellent –Overall the response demonstrates that the bidder meets all areas of the requirement and provides all of the areas evidence requested in the level of detail requested. This, therefore, is a detailed excellent response that meets all aspects of the requirement leaving no ambiguity as to whether the bidder can meet the requirement.
7	Good – Overall the response demonstrates that the bidder meets all areas of the requirement and provides all of the areas of evidence requested but contains some trivial omissions in relation to the level of detail requested in terms of either the response or the evidence.
