## Grants Awarded: Newton Researcher Links Travel Grants – July 2016 call

**Eligible partner countries** South Africa, Indonesia, Thailand

- Total eligible applications – 40
- Funded applications – 15 (38%)

Home Country	Host Country	UK Institution	Partner Institution	Project Title	Review Panel
South Africa	United Kingdom	University of Sheffield	Rhodes University	The Exploring the Comprehensive Scalability Assessment Paradigm	Social Sciences
South Africa	United Kingdom	University of Exeter	University of Stellenbosch	Computational fluid dynamics for use in wind turbines with a focus on mesh deformation through established cross flow marine turbine simulations.	Engineering and Physical Sciences
Thailand	United Kingdom	Sussex Centre for Migration Research	Mahidol University	International Retirement Migration: Social and Economic Implications on Thailand	Social Sciences
Thailand	United Kingdom	University of Nottingham	Chulalongkorn University, College of Public Health Sciences	On Becoming Elderly and Homeless: A Qualitative Study of Homeless Elderly in Bangkok Thailand	Social Sciences
Thailand	United Kingdom	University of Nottingham	Naresuan University	Enhancing therapeutic potential of Thai herbal formulation through synergistic activities for the treatment of xerosis cutis in Thai older adults	Biological and Medical Sciences
Thailand	United Kingdom	University of Central Lancashire	Mahidol University	Biomechanics and Rehabilitations in People with Knee Osteoarthritis	Biological and Medical Sciences

Thailand	United Kingdom	University of St. Andrews	Mahidol University	Rapid next generation sequencing of microorganism for the identification of infections in septic and unknown febrile illness patient specimens	Biological and Medical Sciences
Thailand	United Kingdom	University of East Anglia	Suranaree University of Technology	Sustainability assessment (SA) of Thailand's climate change master plan 2015-2050	Environment, Agriculture and Food Sciences
Thailand	United Kingdom	Oxford Brookes University	Silpakorn University	From the Reform Club to Limehouse: Images of Asia(ns) in Western Popular Literatures	Arts and Humanities
Thailand	United Kingdom	University of Birmingham	Chiang Mai University	Determination of chemical toxicity from biomass burning for health risk assessment	Environment, Agriculture and Food Sciences
Thailand	United Kingdom	University of Strathclyde	Kasetsart University	Study of natural rubber polymerisation kinetics using online monitoring system for rubber industrial applications	Engineering and Physical Sciences
United Kingdom	Thailand	University of Bath	Northeastern Institute of Child and Adolescent Mental Health and Thammasat University	Implementation of Two Psychological Interventions to Improve Child and Adolescent Mental Health in Thailand: Identifying and Addressing Challenges at Different Stages of Intervention Development	Biological and Medical Sciences
Indonesia	United Kingdom	Swansea University	Institut Teknologi Bandung	A staggered finite volume method for shoreline change in groyne system	Engineering and Physical Sciences
United Kingdom	Indonesia	University of Reading	University of Andalas	Pilot study of a population-based survey to assess the impact of nutritional status and genetic factors on non-communicable diseases in Minangkabau women	Environment, Agriculture and Food Sciences
United Kingdom	Indonesia	Newcastle University	Politeknik Perkapalan Negeri Surabaya	Sustainable Modernisation of the Artisan Fishing Vessel Fleet in Indonesia	Engineering and Physical Sciences
