Grants Awarded: Newton Researcher Links Workshops – April 2016 call

Eligible partner countries: Brazil, Egypt, India, South Africa, Turkey, Vietnam, Uruguay (outside of the Newton Fund)

- **Total eligible applications – 129**
- **Funded applications – 44 (34%)**

Partner Country	Title of Workshop	UK Institution	Partner Institution	Review Panel
Brazil	Plato's Communities: Citizenship and Diversity	University of Cambridge	University of Brasilia	Arts and Humanities
Brazil	International research collaboration for managing anxious children who need dental treatment	King's College London	Universidade Federal de Goias	Biological and Medical Sciences
Brazil	Translating knowledge into innovation: exploring the potential of bio-soft Matter science in agrifood production.	University of York	Universidade de Sao Paulo at Sao Carlos, Brazil and Universidad de la República, Uruguay	Engineering and Physical Sciences
Brazil	Climate Change Initiative for Adaptation, Resilience and Mitigation (CCIARM)	University of Reading	INPE - National Institute of Space Research, Brazil and Universidad de la Republica, Uruguay	Engineering and Physical Sciences
Brazil	Smart Technology for fighting Zika-Virus Epidemics (Remotely and highly distributed sensed data, Analytics and Visual sensing of micro-macro environment health welfare)	London South Bank University	University of Pernambuco / School of Engineering	Engineering and Physical Sciences

Brazil	How the Railways contribute to improving quality of life?	Newcastle University	Universidade Federal de Santa Catarina	Engineering and Physical Sciences
Brazil	A pathway to global sustainability - Role of local food supply logistics in global sustainability	Nottingham Trent University	UNIDAVI, Rio do Sul, SC	Social Sciences Review Panel
Brazil	Indicators and Metrics for Socially Inclusive Waste Management and Resource Efficiency in Supply Chains: Measuring and Reporting to Embed Sustainability in Policy and Practice	Royal Holloway University of London	Federal University of Santa Catarina	Social Sciences Review Panel
Brazil	Re-naturing cities: theories, strategies and methodologies	University of Portsmouth	Universidade Federal de Goiás	Social Sciences Review Panel
Brazil	Inequality or State Capacity? Making the Brazilian economy work for everyone	King's College London	University of Brasilia and IPEA	Social Sciences Review Panel
Brazil	Linking Welfare Reform with the Sustainable Development Goals: Case Studies from the United Kingdom and Brazil	Queen's University Belfast	Pontificia Universidade Católica de Minas Gerais	Social Sciences Review Panel
Egypt	Cultural Heritage and Livelihood of Bedouins of South Sinai: Investigating approaches of local resilient community development in Nuweiba, South Sinai, Egypt	University of Lincoln	Ain Shams University	Social Sciences Review Panel
India	Application of innovative chemistry and novel biomaterials to diagnose and treat corneas damaged by trauma, disease and infection	University of Sheffield	LV Prasad Eye Institute/TKCI	Biological and Medical Sciences
India	Exploring new collaborations - working at the chemistry microbiology interface to develop new antibiotics	Public Health England	Shantabai Devarao Shivaram Tuberculosis Research Centre and Rajiv Gandhi Institute of Chest Diseases	Biological and Medical Sciences
India	Translating Clean Energy Research to Rural India	University of Edinburgh	Indian Institute of Science Education and Research, Pune	Engineering and Physical Sciences
India	Peptides, Proteins and Metals in Disease and Therapy	University of Warwick	Indian Institute of Technology Kanpur	Engineering and Physical Sciences
India	India-UK Workshop on Thermoelectric Materials for Waste-Heat Harvesting	University of Reading	Jawaharlal Nehru Centre for Advanced Scientific Research	Engineering and Physical Sciences
India	Sustainable sanitation for the reduction of the spread of antimicrobial resistance through wastewater	University College London	Institute of Chemical Technology Mumbai	Engineering and Physical Sciences

India	Functional Nanomaterials: From Spectroscopy to Bioimaging	University of Manchester	Indian Institute of Science Education and Research Kolkata	Engineering and Physical Sciences
India	Energy for Economic Development and Welfare: Promoting International Collaboration, Innovation and Sustainability	University of Surrey	Indian Institute of Petroleum	Engineering and Physical Sciences
India	Closed Loop Green Technologies for Rural Communities	University College London	Centre for Rural Development and Technology, Indian Institute of Technology, Delhi	Environment, Agriculture and Food Sciences
South Africa	Widening Success in Higher Education (WISH)	University of East London	Cape Peninsula University of Technology	Arts and Humanities
South Africa	Communication, interpretation and use of climate information for development	University of Leeds	University of Witwatersrand	Environment, Agriculture and Food Sciences
South Africa	Bioinformatics and Wheat Genomics	John Innes Centre	University of Free State	Environment, Agriculture and Food Sciences
Turkey	Designpreneurship: Why Creatives Need to Become Entrepreneurs for Economic Growth and International Competitiveness	Robert Gordon University	Özyeğin University	Arts and Humanities
Turkey	Cellular Imaging Techniques	University of Oxford	Dokuz Eylul University - Izmir International Biomedicine and Genome Institute	Biological and Medical Sciences
Turkey	Workshop on Offshore Wind and Wave Energy for Turkey	University of Strathclyde	Middle East Technical University	Engineering and Physical Sciences
Turkey	Disaster Management: An Information and Communications Technology (ICT) Approach	Queen's University Belfast	Koc University	Engineering and Physical Sciences
Turkey	Smart Grid Transformation of Existing Electricity Networks in the UK and Turkey: What are the Challenges and How They Change from Smart Cities to Smart Villages	University of Edinburgh	Istanbul Technical University	Engineering and Physical Sciences
Turkey	Intelligent Infrastructures for Sustainable and Resilient Future Energy Systems	Brunel University London	Istanbul Kemerburgaz University	Engineering and Physical Sciences
Turkey	Seismic Loss, Rehabilitation and Post-earthquake Crisis Management of Critical Infrastructure	University of Sheffield	Istanbul Technical University	Engineering and Physical Sciences
Turkey	Plant Health: Challenges and solutions	University of Worcester	Selcuk University	Environment, Agriculture and Food Sciences

Turkey	Health literacy and communication in crisis: gender-based violence and Syrian refugees	University of Strathclyde	Anadolu University	Social Sciences Review Panel
Turkey	Empowering Entrepreneurship Ecosystem Leaders: Theory and Action	University of Reading	Atilim University	Social Sciences Review Panel
Turkey	Cities in transition: locality, identity and experience of place: issues for migrant and minority ethnic groups in rapidly emerging urban developments and typologies	University of East London	Gediz University	Social Sciences Review Panel
Turkey	International Workshop on Intellectual Property Law in Perspective of Economic Growth and Wealth Creation	Queen Mary University of London	Ankara University Faculty of Political Science	Social Sciences Review Panel
Turkey	Political, Economic, Social, and Legal Aspects of Hosting Migrants and Refugees	University of Essex	Bahçeşehir University	Social Sciences Review Panel
Turkey	Improving health care operations through modelling and simulation	University of Bath	Koc University	Social Sciences Review Panel
Turkey	Lean humanitarian supply chain and logistics (LHSL) to ensure resilient and efficient food distribution in humanitarian disasters and emergencies for reducing disaster risks	Brunel University London	Yıldırım Beyazıt University	Social Sciences Review Panel
Turkey	Recent advances in energy conservation techniques for buildings: From Micro scale to Urban level	Coventry University	Istanbul Technical University	Social Sciences Review Panel
Uruguay	How anthropology can contribute to affirmative action in South America in the fields of human rights, gender equality and environmental sustainability.	University of Aberdeen	Universidade Estadual de Campinas, Brazil and Universidad de la República, Uruguay	Social Sciences Review Panel
Vietnam	Practical Workshop for Clinical Trials	Queen's University of Belfast	University of Medicine and Pharmacy, Ho Chi Minh City	Biological and Medical Sciences
Vietnam	Developing abiotic stress tolerance in rice	University of Nottingham	Cuulong deta rice research Institute, Can Tho	Environment, Agriculture and Food Sciences
Vietnam	Developing a research agenda to ensure Vietnam's Secure, Sustainable and Resilient Energy Supply: VS2RES Workshop	University of Salford	Can Tho University	Social Sciences Review Panel
