Grants Awarded: Newton Researcher Links Workshops – October 2014 call

Eligible partner countries: Brazil, Egypt, Indonesia, Kazakhstan, Philippines

- Total eligible applications – 32
- Funded applications – 17 (53%)

Partner Country	Title of Workshop	UK Institution	Partner Institution	Review Panel
Brazil	Rain, Rivers and Reservoirs	Heriot-Watt University	Universidade Estadual de Campinas	Engineering and Physical Sciences Review Panel
Brazil	Science, Technology and Innovation in Neglected Diseases: Policies, Funding and Knowledge Creation.	University of Sussex	Universidade Federal de Minas Gerais	Social Sciences Review Panel
Brazil	Next Generation Sequencing applications to improve livestock welfare, food security and socioeconomic stability in Brazil	Swansea University	Universidade Estadual Paulista Júlio de Mesquita Filho	Environment, Agriculture and Food Sciences Review Panel

Brazil	Understanding and advancing therapies for CNS disorders	University of Reading	Universidade Federal de Santa Catarina	Biological and Medical Sciences Review Panel
Brazil	Eco food supply chains: Exploring industrial ecosystems to minimize food waste and maximize social benefits	University of Northampton	Fundacao Getulio Vargas	Social Sciences Review Panel
Egypt	Rebuilding Communities for Resilient and Sustainable development: Eco-Cities	University of Lincoln	Cairo University	Social Sciences Review Panel
Egypt	Photovoltaics (PV): Strategic Alternative Energy Source for Egypt; From Cell to Grid Connected PV Arrays	London South Bank University	The British University in Egypt	Engineering and Physical Sciences Review Panel
Indonesia	Natural hazards, disaster-risk reduction, resilience and culture: A multidisciplinary workshop	Coventry University	Gadjah Mada University	Social Sciences Review Panel
Indonesia	Sustainable and Clean energy for all	University of Strathclyde	Institut Teknologi Sepuluh Nopember (ITS)	Engineering and Physical Sciences Review Panel
Indonesia	Decentralised Sustainable Energy for Wider Indonesia - towards Energy Security and Independence.	Robert Gordon University	Universitas Nasional	Social Sciences Review Panel
Indonesia	Workshop on developing resilient, connected communities to tackle coastal hazards	University of Huddersfield	Institute of Technology Bandung	Environment, Agriculture and Food Sciences Review Panel
Kazakhstan	Promotion of clean energy in resource-rich	University of Reading	Economic Research Institute	Social Sciences

	countries: case study of Kazakhstan			Review Panel
Kazakhstan	Resilient Structures and Infrastructure	Brunel University	Nazarbayev University	Engineering and Physical Sciences Review Panel
Kazakhstan	Water management and environmental impact assessment in the oil and gas industry	Brunel University	Nazarbayev University	Engineering and Physical Sciences Review Panel
Philippines	Process Systems Engineering Approaches for the Provision of Supplies and Utilities for Sustainable Cities	University of Nottingham	De La Salle University	Environment, Agriculture and Food Sciences Review Panel
Philippines	Towards a Sustainable Energy Ecosystem for Urban, Rural, & Island Microgrids of the Philippines: A Workshop on Distributed Renewable Energy Generation & Integration, and Complementary Technologies	University of Southampton	University of San Carlos	Engineering and Physical Sciences Review Panel
Philippines	Are Current Research Efforts on Universal Health Care (UHC) in the Philippines Showing Evidence for Achieving the Goal? A Multidisciplinary Workshop for Early-Career Researchers	London School of Hygiene and Tropical Medicine	Ateneo de Manila University	Social Sciences Review Panel
