

## International School Award

# The Coventry Language Challenge - Template

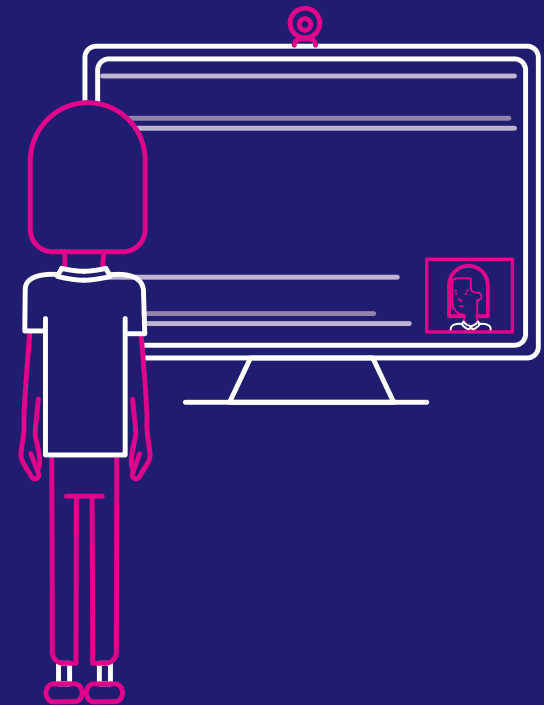

To celebrate Coventry UK City of Culture and Coventry City of Languages 2021, we want to help as many schools as possible in the city get recognised for their international work.

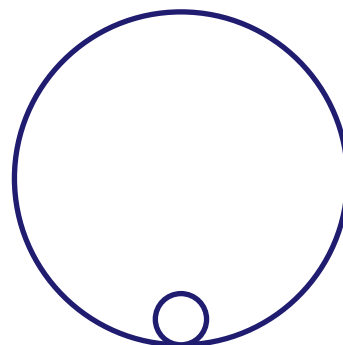

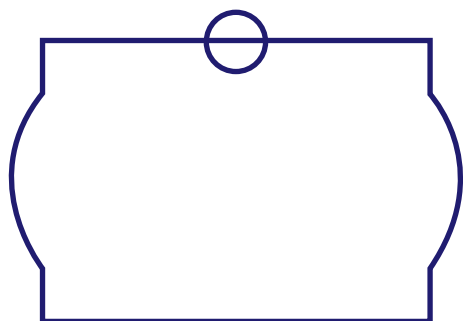

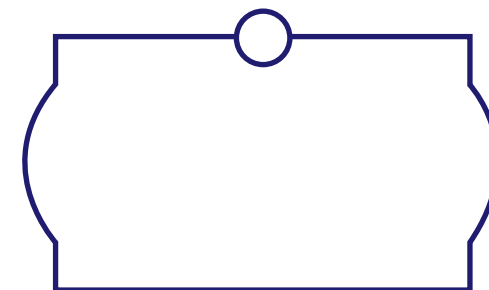

Using this blank template and creating your own language-based activities will qualify your school for a Foundation Level International School Award.

Here's what you need to do:

- 1 Define, choose and complete two or more classroom activities
- 2 Apply and get your international work recognised

Once you have finished your activities, visit our [website](#) to find out how to apply for a Foundation Level International School Award.
