

International School Award

The Coventry Language Challenge - German

To celebrate Coventry UK City of Culture and Coventry City of Languages 2021, we want to help as many schools as possible in the city get recognised for their international work.

Completing two or more of the language-based activities on this challenge sheet (or by designing your own activities) will qualify your school for a Foundation Level International School Award.

Here's what you need to do:

- 1 Choose and complete two or more classroom activities
- 2 Apply and get your international work recognised

Once you have finished your activities, visit our [website](#) to find out how to apply for a Foundation Level International School Award.

Find out how many countries have German as their official language. Find them on the map and learn their capital cities.

Learn the

happy birthday

song in German.

Then learn how to say the following phrases in German and present these in your class.

- Excuse me
- Could you repeat that?
- See you later!

Find out the names of ten well-known sports players who are from German-speaking countries and play the sports in a PE lesson.

- Working in pairs, make a list of **four** German words that have more than ten letters. Learn how to pronounce them and what their meaning is.

In groups, list four festivals which take place in countries where German is the official language.

Create a fact file for each one.

List **four well-known** buildings or monuments which can be found in a German-speaking country. Explore the cultural importance of those structures and learn how to pronounce them in German.

In class, research and write a short paragraph about a German-speaking country you would like to visit and why.

- Host a German food event. Research different dishes and learn how to say their names and ingredients. Then make a dish at home and bring it into school so the whole class can try it.
