The Great Arabic Language Challenge

The activities in this challenge are designed for you to use in class or as a homework activity.

You can download more great language challenge resources from www.britishcouncil.org/school-resources/find/classroom/great-languages-challenge

We have a wide range of other resources to help bring the world into the classroom at www.britishcouncil.org/school-resources/find/classroom

We want to help as many schools as possible get recognised for their international work.

Did you know that by completing two or more international activities from our resources (or designing your own) will qualify your school for a Foundation Level International School Award?

Here’s what you need to do:

• Choose and complete two or more classroom based activities linked to your curriculum
• Apply and get your international work recognised.

Once you have finished your activities, visit www.britishcouncil.org/school-resources/accreditation/international-school-award to find out how to apply for a Foundation Level International School Award.

It’s that simple! So let’s celebrate bringing the world into the classroom.

You can also sign up to our Schools Newsletter and keep up to date with all our the latest news at www.britishcouncil.org/school-resources/newsletter
