Did you know that by completing two or more international activities from our resources (or designing your own) will qualify your school for a Foundation Level International School Award?

**Here's what you need to do:**

- Choose and complete two or more classroom based activities linked to your curriculum
- Apply and get your international work recognised.

Once you have finished your activities, visit [www.britishcouncil.org/school-resources/accreditation/international-school-award](http://www.britishcouncil.org/school-resources/accreditation/international-school-award) to find out how to apply for a Foundation Level International School Award.

It's that simple! So let's celebrate bringing the world into the classroom.
