

# The Great Languages Challenge

The activities in this challenge are designed for you to use in class or as a homework activity.

You can download more great language challenge resources from [www.britishcouncil.org/school-resources/find/classroom/great-languages-challenge](http://www.britishcouncil.org/school-resources/find/classroom/great-languages-challenge)

We have a wide range of other resources to help bring the world into the classroom at [www.britishcouncil.org/school-resources/find/classroom](http://www.britishcouncil.org/school-resources/find/classroom)

We want to help as many schools as possible get recognised for their international work.

Did you know that by completing two or more international activities from our resources (or designing your own) will qualify your school for a Foundation Level International School Award?

Here's what you need to do:

- Choose and complete two or more classroom based activities linked to your curriculum
- Apply and get your international work recognised.

Once you have finished your activities, visit [www.britishcouncil.org/school-resources/accreditation/international-school-award](http://www.britishcouncil.org/school-resources/accreditation/international-school-award) to find out how to apply for a Foundation Level International School Award.

It's that simple! So let's celebrate bringing the world into the classroom.
